CBC AMERICA Corp.  
55 Mall Drive  
Commack, NY 11725

Please see attached the cross reference of DRS thermal camera system part numbers and equivalent CBC part numbers. DRS confirm that the DRS models and the corresponding CBC models shown are identical in construction, hardware components, and manufacturing. The only difference will be aesthetically, with the model naming and alternate vendor name on the camera system.

Sincerely,

Rajan Natarajan  
Senior Product Manager, DRS Commercial Infrared Systems
